SUMMARY

Stefan takes pride in his work and has great respect for the working relationships he enjoys with his clients. He also appreciates the need to be commercial in his practice, and the need to fully consider his client’s interests and not just their strict legal position when providing advice.

In his time as a solicitor, Stefan has experienced working in various practices that range from small suburban law firms, niche boutique city firms, to large high-volume government departments. Stefan draws on this experience in his practice, tailoring the services he provides to the needs of his clients.

Stefan has extensive experience in acting in the Local, District and Supreme Courts of New South Wales as well as the Federal Court of Australia and Federal Circuit Court of Australia. A confident advocate, Stefan can assist with matters across a wide spectrum of jurisdictions, and is familiar with court processes.
